Average: $3450

Our top selling horse ($25,000) was 2016 AQHA mare “DJ SMARTY CAT”, an own daughter of NCHA hall of fame stallion “NRR CAT KING COLE” consigned by Tom Faul. She could tote the whole family, work cattle, go down the trail, perform in the show ring and lope the prettiest circle you’ve ever seen. An easy sell, this mare is honest in every way.

Next in the race were Painted Frenchman, a gorgeous 2021 APHA gelding with 90 rides. Consigned by Carrie Moore, and “Harley” an open consignment horse from the Roelfs Ranch in Minnesota. Both sold for 14,000.

This was our strongest market of 2024, with over 400 buyers registered to bid in person and online. We are incredibly grateful for all of our consignors, buyers, and spectators. We are working HARD at offering the BEST horse buying & selling experience in Colorado.

Thank you to all of our vendors for joining us and adding to the experience.

See you in 2024!
