Official May 2025 Sale Summary - Annual Trail Horse Special - Featuring several trail & dude string ready horses!

(read to the end for an EXCITING announcement!!!)

Our May 17th Auction in Brighton, CO brought buyers & sellers from across the nation to shop the annual Trail Horse Special! It was a beautiful day at the recently upgraded Adams County Fairgrounds. We know it was a busy day in the west - lots of graduations, rodeos, opening weekends and horse shows - and we're grateful for everyone who made the trip to our auction! This auction was our 3 year anniversary sale - it truly gets more fun every time we get to see you all!

97 of 122 offered horses went onto new homes!
142 approved bidders joined us along with hundreds of spectators and supporters.
41 dude ranches, outfitters, and summer camps registered to bid and 38 of them bought at least 1 horse!

We believe in transparency. Several buyers approached sellers outside after a "no-sale" and opted to purchase the horse. We are grateful for our buyers & sellers coming together to MAKE A DEAL! That's what it's all about! The following statistics are important for both future buyers & sellers to consider.
