November 17th-23rd, 2025 Online Catalog Sale Summary

This sale replaced what would have been our last in-person sale of 2025. Due to construction at our usual venue, we decided to move this sale exclusively online. We were very impressed with the quality of horses, dedication of consignors, and interest from so many buyers!

We had 88 approved bidders from 14 different states, including Colorado, Nebraska, Wyoming, Texas, Utah, Arizona, Kansas, Montana, Iowa, Oregon, South Dakota, Washington, Louisiana, and Illinois.

We offered a total of 23 horses in this sale, 17 of which were AQHA registered, 6 grade (including 2 draft crosses), and 1 registered Appaloosa. 10 horses were located in Colorado, 3 in Arizona, 3 in Iowa, 1 in North Carolina, 1 in Kansas, 1 in Utah, and 1 in Illinois.
