At the Colorado Horse Sale, we're committed to transparency, integrity, and continually improving the experience for buyers and sellers.
We're proud to begin sharing **full sale results in 2026.** All horses and their final sale price are below. Just two horses did not sell at this auction, their final bid amount is listed with "passed". It was a strong sale 275 buyers registered from 20 different states. The arena was packed and the excitement was all there!

From required veterinary exams and optional sifting to individual sale videos and x-rays on Special Session horses, every step is designed to give buyers confidence and sellers strong representation.

We're excited to keep building a quality sale you can count on!
